

# Esports

IF YOU ARE INTERESTED IN BEING ON TEAM ORCAS FOR ESPORTS AND IN GRADES 9-12 PLEASE EMAIL [HCHAMBERLAIN@WAVA.ORG](mailto:HCHAMBERLAIN@WAVA.ORG)

## Level Up Your Learning

The K12 Esports League gives students an online venue for competitive video games. Through the esports program, students gain:

- Opportunities to compete with teams across the nation
- Teamwork and skill building
- Dedicated coaches
- Guidance on balancing esports with academic success

# Clubs

## Clubs

If you are interested in signing up for a **WAVA Coding Club** for grades 3-7, **WAVA Community Club**, or **WAVA Gamers Club** for all grades k-12 email: [clubs@wava.org](mailto:clubs@wava.org)

## LC Group Clubs

If you have a group, you have formed via LC's please send us the info so we can help others in similar age or interest find your group.  
[clubs@wava.org](mailto:clubs@wava.org)

## Let Us Know!

Several LC's have formed small groups with interest in Minecraft, Roblox, Art, Cooking and more. We want to know and help share with others!

## WAVA Esports League

# High School ASB Club Action

## ▶ ASB

<http://wavaasb.blogspot.com/>

WAVA is proud of our Associate Student Body, ASB! WAVA ASB is responsible for providing student activities and being the voice of students to staff, school district, and community. The main **objective** of ASB is to make students feel connected to school and each other through involvement in organized student lead activities.

ASB will offer Clubs and offerings each year so stay tuned for details! Reach out to your Advisor or ASB Coordinator to find out details on how to get involved or check the blog spot!

New clubs are created each year based on student proposals!! Way to go Wavemakers! Club ideas have included:

- ▶ Creative Writing, Video Game, LGBTQ+, Theology, Multi-Cultural, Diversity, Book Readers, D&D, Table-Top Club and more.
